Dated 31 - 6 - 1960

[Despatch Abstract.]

Plague - South Kanara District -Temporary staff - Sanctioned.

Ref.B4-6007-40. South Kanara Collector's Office
Mangalore, dated 5 - 10 - 1940

From

M. V. Subrahmanyan Esq., M.A., L.C.S. 36509
Collector of South Kanara.

To

The Secretary to Government,
Education and Public Health Department,
Madras.

Through

The Director of Public Health, Madras.

Sir,

Plague - Mysore State - Kadur and Hassan Districts -Threatened outbreak in South Kanara - Preventive measures - Plague staff -employment of -sanctions applied for.

****

There have already been 2 cases of plague in this District that were imported from Kadur District. Necessary preventive measures were taken by the Health staff against the spread of the disease in this District and no subsequent attacks have been reported In both the cases of infection the patients have recovered.

2. I understand that plague is prevalent in the bordering districts of Hassan, Kadur and Shimoga of Mysore State and also in Coorg. There is heavy and regular traffic between this District and the above infected areas both in passengers and food-stuffs like grains &c. Owing to the likelihood of the danger of the disease spreading further the Government of Mysore State have prohibited the holding of the weekly shandies at four places in the Kadur District for a period of one month from 25-9-1940.

The important cattle fairs and festivals of this District which attract a large number of pilgrims from Mysore State and Coorg are to be held from the

end of November 40 onwards. The Dt. Health Officer, South Kanara apprehends that the infection might be imported into this District during those fairs and festivals, if no special arrangements are made to prevent the spread of the disease. I agree with him and I feel that in the interest of the safety of the public of this District, it would be essential to open 4 observation depots at the frontier stations of Someshwar, Charmadi, Shiradi and Sampaje with effect from 1-11-1940 to 10-12-40 as also to appoint a temporary staff to man those depots. I, therefore, request that the Government may be pleased to sanction the employment at each of the 4 depots a plague Inspector on Rs. 55/- a month, a peon on Rs. 12/- per mensem and 5 coolies on daily wages for a period of 1 month and 12 days in the first instance.

For Collector.

Copy to the Dt. Health Officer, South Kanara.
